PreWrathMinistries Newsletter New Look!

As you can see, we have adopted a new look for the PreWrath Ministries newsletter. As demands on my time have increased, I have had to look for ways to streamline the newsletter process. I thank Comm100.com for providing a great newsletter service which will provide much more flexibility in producing and sending newsletters. Please look at the article on the right for how you can help us with the PreWrath newsletter.

When are the Seals?

I have had a few people correspond with me that try to place the seven seals of Revelation as already having happened at least in part. Some claim that we are right now between the fourth and fifth seals. They DO see the Rapture as happening at the sixth seal - but believe it could happen any day. This is like a PreWrath view with a pre-trib twist!

The problem with this idea is that the scriptures do not support this interpretation. Daniel leaves no doubt that the 70th Week is a future seven-year period, and places the Abomination of Desolation at the midpoint of the 70th Week.

Matthew's Olivet discourse corresponds so closely with the seals and Matthew's events are centered around the Abomination of Desolation.

Furthermore, Jesus tells of these events as being the beginning of birth pains, and then centers the remaining events as happening at or after the Abomination of Desolation.

Finally, the corresponding sign of the day of the Lord - when the sun turns dark, the moon turns red and the stars fall from the sky - as it appears in Matthew, Revelation, and in Old Testament prophecies prohibits an interpretation that the seals could be a several hundred year process.

Letter from the leader

Winter 2010

PreWrath Ministries Needs Your Help!

I have been embarrassed that I have not been able to get out more newsletters on a timely basis. We have just established a new newsletter engine that will enable us to manage our newsletter and mailing lists more effectively. But, the demands of being a pastor have kept me from being able to devote as much time to the PreWrath teaching as I would like. I still believe it is the truth and that it is important. Therefore, I came up with the idea to ask you - the **PreWrath community** - for help. Your experiences and insights can help all of us and help me to work more efficiently. I have set up a new email address to ask you to submit articles that could be included in the PreWrathMinistries newsletter. These articles could be anything from a testimonial about how you came to believe PreWrath, to how the PreWrath view has affected your theology and ministry, to what your experiences have been with the PreWrath view. Articles could also be about insights you have gained in studying the PreWrath view. Please use the new email address "newsletter@prewrathministries.org" to submit articles and please include your name, city, and state or country. I am excited about the possibilities of having many more people involved in getting out the PreWrath message.

Also, because of time constraints, I have been limited to a two page newsletter in the past. With many more contributors, we may have the possibility of expanding the newsletter to include more material.

Looking for Him,

Elbert Charpie
